

This answer has been evaluated by the expert team at Chahal Academy

Hello Mubashar, Greetings of the day

Dear student, to write a decent answer the first & foremost thing is to complete the basic standard books.

Further, you need to read the same source again & again.

However, it is not a easy task to ace answer writing, you need to write the answer daily irrespective of the content you have.

Make use of the model answer & value add to your knowledge.

All the best.
