

This answer has been evaluated by the expert team at Chahal Academy

Hello Krishan,

Your answer has not addressed both parts of the question.

Your answer falls short of good arguments & data.

You need to work on enriching your content & datasets.

At the same time, keep working on the presentation & structure aspect.

Try to add more data sets to gain an extra advantage.

Grading Box:

<i>Question demand</i>	<i>C</i>
<i>Content</i>	<i>C</i>
<i>Structure</i>	<i>B</i>
<i>Presentation</i>	<i>C</i>
<i>Handwriting</i>	<i>C</i>
<i>Language competency</i>	<i>B</i>
<i>Word limit</i>	<i>B</i>
<i>Time Management</i>	<i>-</i>

A= Excellent, B= Very Good, C= Good, D= Average, E= Below Average.

Note: The grading is indicative not to be taken as actual marking.

- Your intro is decent, To make it more impactful add any data set.
- The question's main demand Factors responsible for sustainable white revolution :
 - You haven't written good content.
 - You need to address the actual demand of the question.
 - You have covered major dimensions.
 - At the same time, substantiate your arguments with facts & data points.

- In way-forward aspect:
 - You need to write as per the demand of the question.
 - Your content needs to be addressed the questions demand.
- Your conclusion is decent enough.

All the best.
