

Q Should coaching be restricted to those above 16 yrs of age in India? Discuss the impact of this new rule, its effectiveness & the way forward in addressing the issues within coaching industry

4/1 Central govt. has prepared model guidelines for regulation of coaching industry to manage the unregulated private coaching centres

The guidelines ^{regulation} related of coaching centre 2024 released by govt. suggest that students younger than 16-year-old should not be enrolled in coaching centres.

Not relevant

Negative impacts of coaching centres

Need of rule. → high fees of coaching centres
→ high fees of UPSC coachings
use correct sub headings.

- Increase in rate of suicides of students
eg 28 suicide cases in kota in 2023
 - mental problems like depression
 - Coaching Centres are now emerging like business
- Gout. should impose reasonable restrictions on Coaching Centres.

Impacts of the Restrictions

i) increase in quality of education in schools, ^{well} trained teachers, ~~as~~

ii) regular attendance of children will be ensure

Discuss in detail

iii) suicide rates of students would be drop

iv) students will spend time in nature, social relationships

v) fees of coaching centres would be limited

vi) improvement in school's curricula framework, infrastructure etc

Way forward

i) These guideline should be strictly implemented in every coaching

(i) data of coaching should be transparent to the govt.

ii) There should be cooperation of state, police, coaching centre to reduce the mental illness of students.

Good.

Leg. kotla police, coaching centre join hands to help student address mental health issues.

U.P. govt. initiative 'Abhyuday Coaching' ^{is} can be to provide quality education by providing ^{free} coaching is a good ⁱⁿ example.
