

Q Should coaching be restricted to those above 16 years of age in India? Discuss the impact of this new rule, its effectiveness & the way forward in addressing the issues within the coaching industry.

As  
5/15  
Good  
Recently the ministry of education issues a new guidelines related to the coaching institutions:- like fees structure, safety issues, age of student for admission etc.

## Impact of new rule is

- 1) Health & mental stability of student:-
  - the new guideline issue age min 16 yrs not eligible.
  - the facility response toward student.
- 2) enhance the scope of admission for undesirable student:- restricted the fees structure so the student can take advantage of this.
- 3) other safety issues like toilet, hygiene, sanitation & emergency response team equipment etc. must be present.

• the institute is not on underground floor.

Discuss  
-ve impact  
as well

4) Ban of attraction of student on unfair means like promotion of their institute from selected candidates.

• if promotion with proof.

Measure taken to overcome the issue of coaching industry

1) Govt make team which check the functioning of institute

2) make of platform for complaints of against institution for candidate.

Good  
Points

3) Set the limit of fee so the poor candidate can also take advantage

4) The Govt open govt institution for coaching different competative exam like NEET, UPSC, PSC etc eg:- Punjab Govt open institute for UPSC Coaching

The coaching institutes contribute 6000 crore annually with nearly 7-8% growth rate. The govt need to make attention & make laws for this & check the constructive growth of institutions.
