Critically examine the recent decision of Maharashtra assembly to grant 10% reservation to the Maratha community in education & govt jobs, considering both the arguments for & against reservation policies in India.

$$\frac{3}{10}$$

Recently, the Maratha govt passed a bill in parliament to ~~pass~~ give reservation to Maratha community through article 15 of the Indian Constitution.

Arguments in favour

↳ Support or equality:-

Constitution gave power to both state & centre to make law regarding this

↳ Upliftment:- Some communities have less representation in higher posts of education, officers or in parliament

↳ Standard of living:- to increase their standard of living

↳ the reservation is positive discrimination.

Reforms
etc

↳ Discrimination with
the other people of society.

↳ that all people are poor in
any community & creamy layer
also take advantage of this

level of competition: reservation
is an middle path to pass
hurdles.
• • the.

↳ not playing level playing field.

The reservation is given to make
