

aim of Reservation is to provide socio-economic upliftment of backward communities.

## Arguments for

3  
10

Try to

underline the key words in

your explanation for

better presentation.

① Scope of opportunity

↳ who does not have ~~been~~ such background to get par with well backgrounded people, e.g. high quality education & other curricular activities.

② Inclusive society

↳ provide representation from communities & inclusivity from all.

③ Inspiration to step up

↳ provide other inspiration to get education to all specially girls & women.

# Arguments against

Good points but include also some way forward also, like, strengthening the Bill, Collaborative Approach, Revisions and Reform etc.

① against Supreme Court's ~~jud~~ determines line.

↳ It is above 50% ceiling of reservation, set by Supreme Court.

② Deterrent to non-reserved

↳ having less incentive to compete as reserved sets are most

③ hurt spirit of Article 16

↳ all people do not have equal opportunity for public employment

Reservation should be provided in spirit of Article - 16 & also should take adequate steps to uplift socio-economic condition of backward communities.
