

Q Should coaching be restricted to those above 16 years of age in India? Discuss the impact of this new rule, its effectiveness and way forward in addressing the issues within the Coaching Industry

Discusses Primary objective of rule in intro.

Coaching is an informal education system along with formal studies, to enrich students knowledge and enhance their capability.

* Causes of these new guidelines :-

2.2/15

→ Increase number suicide cases of students all over India

for eg:- Engineering and medical capital of Kota produces alone reports alone 23% suicide cases

→ Inapplicability of consumer protection act on a Coaching Industry

eg:- Recent fines imposed on a upsc Coaching industry

Good.

→ In India coaching Industry lacks Transparency and accountability

eg:- false claims made by upsc coaching Industry

→ Coaching Industry produces Doctors or engineer which lacks skills of life + corruption in various levels of public and private companies.

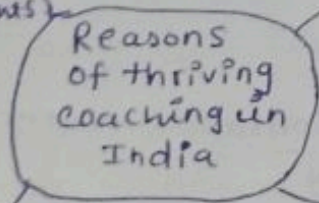

* Impact :-

→ Reduction in the number of suicides Rates.
→ fee structure and easy exit of student from a coaching

*Discuss in detail.
Discuss -ve impact also.
Refer model ans.*

→ It will bring Transparency + accountability
→ This new Rule has potential to revolutionize the country education system.

Coaching grants
Enhanced Knowledge & Skills to Students

Competence :-
Cut through Competition in outside world

High population & less job opportunities

Link these points to topic.

Coaching Industry gains importance due to fear of parents

Way forward :-

- Coaching industry needs to be regulated
- Some States in India like UP, MP, Bihar, etc already took initiatives in these regard.
- Create awareness among the parents and the students
- Coaching Industry should implied consumer protection act (1986)
