

Q Should Coaching be restricted to those above 16 years of age in India? Discuss the impact of this new rule, its effectiveness, and the way forward in addressing issues within coaching industry.

4/15

Good intro

Recently Ministry of Education - Department of Higher Education release a Handbook of Legislation and Regulation for Coaching Centers (2024). There are lots of provisions issued by central government on - Registration, fees, Infrastructure facility, complaints etc for coaching centres.

→ Provision for eligibility in coaching Centre → restricted to those above 16 years of age as per new rule which is good step ahead to ensure healthy student. This step not only save student time but also ensure their healthy mind without any pressure, anxiety, depression of below 16 years student.

Impact of new rule :-

↳ Cross regulation of coaching centres via - mandatory to them to register under as per state judicial and court

as per the provision.

↳ Ensure infrastructure facility As per rules every student requires square area in each coaching institute.

↳ Reduce mismanagement of fees

As per new rules - No Coaching Institute will enhance or increase fees on summering courses, 10 days fee refundable centers followed.

↳ Improve student-coaching centre ratio

As per new rules every coaching institute should maintain good relation with students and if they breach the guidelines than student have right to complain for it.

↳ Attract foreign students

rules and regulation and proper mechanism will be one of reason to attract foreign student for Indian coachings will also enhance good relation with other countries and global states also improve.

*Discuss points which covers underlying issues. ve impact also*  
*Hinder development of child's personality Mental health etc.*

Way forward &

↳ Proper regulation prime need in Coaching industry as they are fake promises to student for good rank and academics so there should be a market mechanism for them.

↳ Initiating student empowerment camp or make wigilant student for their rights towards coaching institute

↳ Infrastructure maintenance is prime need of Indian coaching institute as there are lack of student study at Centre. So there should be proper mechanism towards it

↳ Follow International law of education for Coaching Centres in India as lots of egs US, EU to learn and implement.

— thus to improve coaching Centre issues it is very important to implement these rules at Bottom approach so that ground level impact seen. SDG Goal - 4th - "Quality of Education" is prime need.

Discuss arguments in favour and against. This is the core of the ques.
